THE HISTORY

The New Orleans Bible Fellowship Church was founded/chartered on December 11, 1989, by the Rev. James L. Wynne, Jr. Pastor Wynne brought this ministry from its original 12 members to 85 members prior to Hurricane Katrina on the principle and foundation of love and the Word of God. Pastor Wynne served the NOBF ministries faithfully from its inception until his untimely death in August of 2006. The membership elected Rev. Leonard M. Parker, Jr., to serve as Pastor of the New Orleans Bible Fellowship Church on October 15, 2006.

THE VISION

To develop in the members and the ministry, a servant's heart and spirit, in order to meet the needs of our membership and the community. Our vision Scriptural Support is Habakkuk 2:2-3, Matthew 20:28, and John 13:12-17. The mission of the New Orleans Bible Fellowship is to teach biblical truths, with simplicity in order to develop effective, spirit-filled disciples to win the lost to Christ. Our mission scriptural support is Matthew 28:19-20, John 8:31-32, and Luke 9:23.

CURRENT NEEDS

Since his appointment, Pastor Parker has worked to reestablish Sunday worship services, the establishment of a new Deacon Board and Board of Directors, as well as continuing a weekly Bible study class. The NOBF will continue to seek our own church building, which was destroyed in Hurricane Katrina. We know that God has a blessing in store for this ministry as we strive to live to glorify and honor Jesus Christ. Our initial and major need is a church building.
